 **Emma** Hi, this is Emma. I live in Canada, but last weekend I visited my friend, Megan, in the USA. We always studied together in university. Something interesting happened this weekend. You know that I don't usually dance, but my friend loves it. So, we went to a club and danced for hours.¹ It was fun. In the morning, she cooked a delicious breakfast. After eating, we talked for the rest of the day. I can't wait to meet her again.

 **Chris** Hello, I'm Chris. What did I do this weekend? Hm... that is a good question. Oh, I remember. I stayed home all day.¹ It was great. I usually wake up early, but since my friends were busy, I stayed in bed all morning, I watched a few movies in the afternoon. I like action, but this time, I watched comedies. They were great. At night, I called a restaurant and got a pizza. It was so relaxing.

 **Scott** This weekend was great! I started my day at four. I showered and walked to the park. My mother and I climbed a mountain, and we enjoyed the view from the top. After coming home, my friend called me. He is moving, so he asked me to help him. I went to his old house, and we moved his TV, fridge, and couch. I am beat, but it was a great weekend.
